Thank you for playing **Santa's Sleigh Catch** ("we," "our," or "the Game"). We are committed to protecting your privacy and providing a safe, fun, and transparent gaming environment for players of all ages, including children and families.

This Privacy Policy explains how our game handles player information.

1. Information We Collect

We do not collect, transmit, or sell any personal information.

- **Local Profile Data:** You may create in-game player profiles (e.g., choosing a nickname or avatar) to track personal high scores and game progress. This information is stored **locally on your device only**. It is never transmitted to external servers, shared with third parties, or linked to your real identity.
- **No Account Required:** The game does not require you to create an account, log in with social media, or provide personal details such as your real name, email address, phone number, or physical address.
- **No Location Tracking:** We do not request or track your device's precise or approximate location.

2. Advertising and Third-Party SDKs

- **100% Ad-Free:** **Santa's Sleigh Catch** does not display third-party advertisements.
- **No Ad Trackers:** Because there are no ads, we do not integrate third-party ad networks, advertising identifiers (AAID), or tracking cookies.
- **No Analytics:** We do not track cross-app activity or compile behavioural user profiles.

3. Children's Privacy (COPPA & GDPR-K Compliance)

Our game is designed for all ages, including young children, and complies with:

- The **Children's Online Privacy Protection Act (COPPA)** in the United States.
- The **General Data Protection Regulation (GDPR / UK GDPR)** regarding children's data.
- The **Google Play Families Policy**.

Because we do not collect, store, or transmit personal data from any user, we do not knowingly collect personal information from children under the age of 13 (or under 16 in

applicable jurisdictions). If a parent or guardian believes that personal information has somehow been collected inadvertently, please contact us immediately, and we will ensure it is permanently deleted.

4. Device Storage & Permissions

Santa's Sleigh Catch requires only the minimum standard permissions necessary to operate on your device:

- **Local Storage Access:** Used solely to save your local game progress, daily mission completions, Advent Calendar unlocks, custom sleigh preferences, and high scores directly onto your device.

5. Data Retention & Deletion

Since all game data (high scores, unlocked items, profiles) resides exclusively on your local device:

- You can reset or delete all game data at any time by clearing the app data in your device settings (Settings > Apps > Santa's Sleigh Catch > Storage > Clear Data) or by uninstalling the application.
